

Notice

All the course coordinators are hereby informed that PhD students who are doing course work at present need to submit a report on **Literature Review/Survey** as part of the course work. It should be ensured that all such reports do not have plagiarism/similarity beyond 20% excluding the bibliography or list of references. The course coordinators are supposed to check reports with **lthenticate (Turnitin)** software and issue a certificate. The certificate signed by the course coordinator would be attached to the report. The format of the certificate is as follows.

Certificate

It is certified that Literature Review/Survey report submitted by Mr./ Ms. _____ as part of the PhD course work in the subject _____ includes plagiarism/similarity not more than 20% excluding the bibliography or list of references.

All the course coordinators have access to **lthenticate (Turnitin)** software. The evaluation of the Literature Review/Survey report should be done by an external examiner approved by Board of Studies.
