15/10/2021

Looking into the overwhelming response of new Ph.D. supervisor registration and request for the date of extension, DoR MJPRU has decided to extend the of registration till 25/10/2021. It would not be possible to extend the date of new Ph.D. supervisor registration further due the proposed date of RET 2020-21 by Jan. 2022.
